

Dear F.F.S.C. Membership,

Please note that due to increased costs to our club we have raised our membership fees. As a member of the USFS we are required that each of our skaters be registered and hold their own USFS membership card. Last year we experienced an increase in this fee after our membership fee was set. To avoid this in the future, each skater will be responsible to pay this **non-refundable** fee in addition to the FFSC membership. It will be paid in the 1<sup>st</sup> payment schedule. Currently this fee is \$40.00 (\$15.00 each additional sibling membership), but the FFSC reserves the right to make adjustments to this fee if it is again raised by the USFS. The club will register the skater once the payment is received. The club has set up a payment schedule to help each member with their payments. **No skater will be allowed to skate during the season on club or contract ice until all fees are paid in full. All payments are non-refundable. All returned checks will cost the member a \$25.00 fee.**

Membership:	\$350.00 plus \$40.00 USFS fee - total \$390.00
Additional family member:	\$200.00 plus \$15.00 USFS fee - total \$215.00
